

Dear participant,

Receive the best regards from the Participant Affairs team for the next World Universities Debating Championship México 2018.

We want to assure you that your assistance to our tournament will be pleasant and trouble-free; and we know that the visa process can be stressful, that's why we'd like to give you some useful information.

- 1 All foreigners, regardless of their nationality, visiting Mexico as tourists, transigrate or for business matters won't need a Mexican visa **as long as they arrive to the country from the U.S.A.**
- 2 Visitors of any nationality holding a valid US visa (or traveling from the USA to Mexico) whose purpose of travel is tourism, business or transit **do not need to obtain a Mexican visa.** The immigration authorities at the point of entry in Mexico (airport -border - port) will verify the validity of the USA visa (or flight ticket USA-Mexico) and the passport presented, and thereafter will grant entry to Mexican territory.
- 3 Visitors of any nationality whose purpose of traveling to Mexico is tourism, business or transit and who is a legal permanent resident in the USA, Canada, United Kingdom, Japan or the Schengen Countries are **exempted in applying for a Mexican visa.** The visitor has to prove his/her permanent residency before the immigration authorities at the point of entry in Mexico (airport -border - port).
- 4 Visitors holding an ABTC card issued by APEC are exempted in applying for a Mexican visa.
